WOMAN ARRESTED ON MURDER CHARGE

Woman Married in Ada Last August Wanted in Pottawatomie County.

Saturday Deputy Sheriff Francis of Pottawatomie county and Constable Pottawatomie county and Constable W. B. Adair of Ada, spent most of Saturday in the first named county on a charge of being accessory to the murder of her first husband a man named Boyd who was shot and killed at Tecumseh last April. They finally learned that she was at a section house near Kingston and the deputy arrested her and came through Ada with her yesterday.

It is said that after failing to have her husband declared insane and committed to the asylum she instigated his murder by a man who was in love with her, and who is now out under a bond of $18,000. After the murder of her husband, however, the woman's ardor seems to have cooled towards her lover, and coming to Ada was married August 22 by Justice Brown to one N. Dyer from Holdenville, and who evidently knew nothing of the circumstances of her husband's killing.

Although her husband's slayer was arrested on the spot, he kept secret her part in the affair, and it was only a few days ago that a man who overheard the plot made the fact known, and the officer started on her trail.

SOONERS WIN OVER TIGERS

ANNUAL FOOTBALL GAME RESULTS IN VICTORY FOR OKLAHOMA, 14 TO 6.

Columbia, Mo., Nov. 4.—A riddled line and poor tackling today cost the Tigers the Oklahoma game 14 to 6. The Sooner score was made by two touchdowns and a field goal, while the Missouri tally came as the result of a lone touchdown by Blees in the last quarter.

The Oklahoma contingent undoubtedly deserved to win, as the Tiger defense apparently depended largely upon the back field, particularly Knoel, while the offense woefully slumped when Lemire was taken out in the first part of the last quarter, the responsibility from then on resting on Blees to whose headwork Missouri's score was due. The line crumpled constantly and seemed unable to make holes.

The Sooners put up a fast, aggressive game from start to finish, most of their ground, however, being gained by means of an antiquated criss cross and a nervy forward pass.

The Carnival Arrives.

The carnival which will be held this week under the auspices of the Firemen of Ada, arrived on schedule time this morning, and is being put in place along 12th street. Judging from the number and size of the tents, it will be the largest that has visited Ada in several years.

RODGERS REACHES PACIFIC COAST

Pasadena, Cal., Nov. 5.—Aviator C. P. Rodgers, after a successful completion of his ocean-to-ocean jaunt, soared into Pasadena at 4:04 p. m. today on the last spurt of thirty miles from Pomona, and from an altitude of several thousand feet landed at Tournament Park. He will fly to the coast tomorrow, landing at the edge of the Pacific.

Rodgers landed at 4:10 o'clock. Tomorrow he expects to fly out over the Pacific and thus make the epoch-marking feat of aviation really an ocean-toocean flight.

Rodgers appeared in the skyline shortly after 3 o'clock. He was sighted first by telescopes from the Solar Observatory on Mount Wilson, and word flashed down the mountain by telephone brought 20,000 people to Tournament Park.

Flying at a height of about 5,000 feet, Rodgers hovered over the city for a few minutes, then circled in a wide spiral and volplaned down. His landing was a signal for a rush, and Rodgers was literally mobbed. Afterward the aviator declared his ribs would surely be black and blue.

No Holiday Rates.

Chicago, Nov. 4.—No Christmas or New Year special railroad fares will be granted this year by the western passenger railroads, it was announced yesterday after a meeting of the association. The territory in which the rates will not be changed include northern Michigan.

Woman's Nature

It is the nature of women to suffer uncomplainingly, the discomforts and fears that accompany the bearing of children. Motherhood is their crowning glory, and they brave its sufferings for the joy that children bring. No expectant mother need suffer, however, during the period of waiting, nor feel that she is in danger when baby comes, if Mother's Friend is used in preparation of the event. Mother's Friend relieves the pain and discomfort caused by the strain on the different ligaments, overcomes nausea by counteraction, prevents backache and numbness of limbs and soothes the inflammation of breast glands. Its regular use fits and prepares every portion of the mother's system for a proper and natural ending of the term, and it assures for her a quick and complete recovery. Mother's Friend is sold at drug stores. Write for free book for expectant mothers.

NOTICE TO THE PUBLIC.

For the convenience of the public, the Evening News will hereafter be on sale at the Postoffice News stand for the small sum of 2c. The same rate will prevail at the News office. The publishers would like to give it away, but every paper costs money to print, and if it is worth reading at all, the News is certainly worth the small sum asked for it.

In the face of all the abuse that has been heaped upon old John D. Rockefeller, there is one thing about him and his family we like. He raised two daughters so well that worthless foreign titles had no atttraction for them. Like the sensible girls they were, they found that American husbands were preferable to any Dutch count or dago duke, although they had money enough to take their pick of the foreign title market.

It is interesting to note that the new repeal bill prepared by the liquor interests carefully eliminates any chance of a jail sentence for violation of the law. A man who is convicted may be fined anywhere from one cent to $500, the minimum penalty not being fixed.

MEN ARE HELPLESS AS CHILDREN

When Taken suddenly ill—Here Is a Common-Sense Safeguard.

Big, strong man is a helpless infant when he is suddenly ill.

The sturdiest chap in town usually loses his self-control and is utterly unable to regard his condition with the common sense that characterizes his every-day actions.

For example: He comes home tired, eats a heavy dinner and sits down to read and smoke away a quiet evening.

Suddenly he notices a weight on his stomach; then sharp pains around his heart and a feeling of suffocation. Thoughts of "heart disease" rush over him, and in his agony he fears the worst.

His trouble was acute indigestion, brought on by overlaoding his tired stomach.

A couple of Rexall Dyspepsia Tablets might have given him relief—might have saved him hours of suffering.

Cary a package of Rexall Dyspepsia Tablets in your vest pocket or keep them in your room. Take one after each heavy meal, and ward off indigestion.

Rexall Dyspepsia Tablets relieve stomach troubles by aiding nature to supply those elements, the absence of which in the gastric juices, causes indigestion and dyspepsia. They tend to aid the stomach to digest all kinds of food and to quickly convert it into rich red blood.

We know what Rexall Dyspepsia Tablets are and what they will do. We guarantee them to relieve indigestion and dyspepsia. If they fail, we will refund your money.

Three sizes, 25 cents, 50 cents, and $1.00. Sold only at our stores or by mail. Remember, you can obtain Rexall Remedies in this community only at our store—the Rexall Store. Gwin & Mays Drug Co.

Make hay while the sun shines

We are the leaders in the Coal business in Ada, and why is it, do you supose? Because our aim is to give the greatest value and quality at as low a cost as posible. Can you afford to do busines in any other way? When we get a new customer it is not the profit in the frst sale that pleases us, but the knowledge that we have added a customer for future business. Advertising pays—if you're honest, also.

Remember if you get 1500 lbs. of lump coal and 500 lbs. of slack for a ton you have really only 1500 lbs. of coal as the slack is worthless to you, we would not let you have slack if you wanted it as we need it for our boilers, so be sure and get our prices before you buy.
